FCCA Calendar
Next General Meeting
 Wednesday, November 18, 7PM
Topic: Friends of Hardy to discuss the preliminary Planning Document for Hardy Park
Location: Hardy Rec Center
 4500 Q Street, NW
 Need a ride? Contact Bob Avery

Next General Meeting

The FCCA Board of Directors will be elected at our November 18th General meeting. Directors serve a one year term, must be a dues-paying member of the FCCA and live within the FCCA geographic area. The Board meets once a month (in the evening, generally the 3rd or 4th Tuesday) and each Director generally assumes responsibility for an area of interest--such as police liaison, school liaison, traffic concerns, FCCA Foxhall News, development--but some members serve "at large."

Members are not required to attend all Board meetings but it is hoped that they attend as many as possible. The Board as a whole sets the agenda for the membership meetings and acts in lieu of the membership when issues arise that require immediate action. The Board also elects the Association officers (president, secretary and treasurer). Because of this it is important that the Board membership be as representative of the entire FCCA community as possible.

At this point in time at least one member of the current board is moving and

thus will not stand for re-election. We would welcome a newcomer! If being on the Board interests you, please contact Bob Avery at ravery@starpower.net for more information or just show up at the November 18th meeting.

One thing that makes the FCCA different from any other civic organization in the District is that we deliver our newsletter to everyone within the FCCA service area whether they are a member or not. This a a long-time tradition of the association and dependent on the contribution of our team of volunteer newsletter deliverers: Sara Paulson, Jenny Morgan, John Bray, Greg Squires, Hilit Taylor, Charlotte DonVito, Scott Polk, Jack Youtcheff, Peter Van Allen, Karen Volker, Claudia Vacirca, Jessie Kane, Ann Haas, Elliot Crooke, Bob Avery, Raymond Quianzon and Gerry Ives. Rain or snow, our loyal and dedicated newsletter deliverers make sure the Foxhall News is delivered. This is not an easy task; but it is imperative so that neighbors have access to pertinent information necessary to remaining engaged in community activities. Our volunteers make this possible. If you would like to volunteer to help deliver--particularly along and MacArthur Blvd, Lingen Rd or Ridgeview Way--please contact Bob Avery at ravery@starpower.net.

Jingle Bells, Jingle Bells.....

Mallory Lawson

Each year more and more households decorate for the Holidays, which makes for a beautiful, magical and fun season for all to enjoy. With the plethora of catalogues and items available on line, there are unlimited possibilities! This year we'll continue with our annual Holiday Decoration Competition with the following categories:

- Most Creative
- Most Festive
- Most Kid-Friendly
- Most Elegant
- Best Illumination

In the event of close contenders, we'll have an honorable mention. Judging will be held the week before Christmas. If you would like to join in (with mulled wine provided!), contact Mallory Lawson at MalloryLawsonASID@msn.com or (202)337-2805. We will publish the accolades in the January Newsletter. Happy Holidays to all!

FCCA Board

Bob Avery, President, Police, and GU Liaison

338-3834, ravery@starpower.net

John Bray, Secretary

337-4115, 1ja.bray@gmail.com

Andy Reuter, Treasurer

536-4895, Cell 664-6107, areuter@qedgroupllc.com or cyberrobbie@yahoo.com

When possible, please contact the appropriate FCCA Board Member directly to discuss issues and concerns—Focus Areas are listed after the board member’s name. General issues can go to Bob Avery

Conrad DeWitte, At Large

202-780-6591, 3D09@anc.dc.gov

Alex Dietrich, Bike & Transportation Liaison

Britt.aggie@gmail.com

FCCA Newsletter Submissions

Send to britt.aggie@gmail.com by December 31 for the next newsletter. Generally submissions should be under 300 words, but longer pieces may run by advance arrangement.

Who Do You Call?

City-Wide Call Center

To request free bulk trash pickups, report dumping in alleys, rat problems, and a host of other issues, call 311.

DC Animal Shelter 576-6664

Police and Fire Departments

Call 911 for both emergency and non-emergency Police matters, including noise after 10 PM.

PEPCO

Power Outages 877-737-2662

Street Lights Out 269-0855

Washington Gas 624-6049

Ward 3 City Council Member

Mary Cheh, mcheh@dccouncil.us

Our ANC Commissioners, Stephen Gardner, sgardner.gardnerlaw@gmail.com and Conrad DeWitte, 3D09@anc.dc.gov

Illegally Parked Cars

Report cars obstructing sidewalks or displaying suspicious guest parking permits by calling 311.

Questionable Construction Projects

To report construction proceeding without required permits or that appears to violate code, call DCRA at 202-442-4400 and they will send an inspector very quickly. For work that appears to be contrary to the guidelines in the Historic District call Frances McMillen, 202-442-8839 or frances.mcmillen@dc.gov.

Problem Party Noise after 10 PM

Please call the Police at 911. There are significant fines and the possibility of a criminal record for violators.

Georgetown 24/7 Community Hotline

Report student activities that negatively impact our community at GU’s 24/7 Hotline, 687-8413

Going out of town?

Email Officer Mcelwee to check on your home periodically at anthony.mcelwee@dc.gov

Join the FCCA Listserv!!

Keep up-to-date with all happenings in our community by joining the FCCA Listserv. Register today at **foxhall.org!**

Scheduled BZA Meetings

Share comments and concerns so they can be aired at the Board of Zoning meetings—public meetings that institutions are required to schedule with local communities according to their agreements with the BZA. Email or call Ann Haas (ahaas212@comcast.net) to get email reminders of meetings or to ask that your issue be discussed.

April 19, 2016, Whitehaven campus

July 19, 2016, MacArthur campus

Halloween Decorating Contest

MaryAnn Griffin

A Big Thank You to our dedicated judging teams, The Conroy family, the Evans-Caplan family and the Secsher family who scoured every block of the FCCA territory to find this year’s Halloween decorating contest winners. The winners are: the Zand family (Marianna and Jason), The Dromerick family (Laurie and Alex), and the Anderson/Fitts family (Scott and Lida).

And Kudos go out to the runners-up: The Harbold family and the Crooke family.

Congratulations to this year’s winners! Thank you to Jetties for the donation of a \$25 gift card and to the FCCA for the donation of two \$25 gift cards for our 3 winners.

Sidewalk Maintenance

The Foxhall area is very much a walking community – children going to school or to Hardy Rec Center, medical students and University employees going up to GU, mail deliverers, dog walkers, joggers, people going to bus stops....

Leaves left on sidewalks often become very slippery, twigs and sticks become trip hazards and low-hanging branches and untrimmed plants can hit pedestrians as they walk by.

This is also a good time to make sure that you have a snow shovel and an ice melt or salt.

Whether you are an owner or a renter, it is your responsibility to keep your steps, walkways and sidewalks clear of all debris.

The pedestrians thank you!

Thanks! From Palisades Village

Palisades Village, your local Aging-in-Community Organization, appreciates and thanks FCCA for its continued support.

Palisades Village is a volunteer-based organization that helps older adults continue to live independently at home and offers a variety of services and opportunities to socialize and remain active in the community. To learn more about the services that Palisades Village offers to its members, please log on to our website: www.palisadesvillage.org.

Palisades Village's 2015 Progress Report is now available online at: <http://www.palisadesvillage.org/stay-informed/newsletters-and-reports/>

Please keep an eye out for our brochure and annual letter, which will be appearing in your mailbox soon!

2015 FCCA Membership Goal Reached!

Jessie M. Kane

Thank you to all who have joined the FCCA during 2015. Your support has enabled us to meet, and even exceed, our membership goal by October. To those, whose names are listed on the back of this newsletter, much gratitude is extended.

With our strong membership level, we fund and publish a newsletter six times a year – in January, February, April, June, September, and November. Volunteers deliver a copy four to ten days before each general FCCA meeting to every home in our area — members and non-members alike. In addition, our association is able to spearhead action on community issues, such as the initiative of addressing airplane noise in our neighborhood, historic preservation in Foxhall Village, the German Embassy renovation, and the new Lab School high school construction.

2016 is quickly approaching. We look forward to your continued support. Thank you again.

Ward 3 DC Leaf Collection Program Information

Good to know...

Bring leaves to Ft. Totten
4900 John F. McCormack Drive, NE.

Monday to Friday, 1 pm to 5 pm

Saturday, 8 am to 3 pm.

For more information, call 311.

We are closed on holidays.

Free Compost

Between March and October, pick up compost for garden projects at Ft. Totten Transfer Station,

Saturdays between 8 am and 3 pm.

Check the leaf collection status online

at www.dpw.dc.gov.

District of Columbia

2014-2015

Leaf Collection Program

The Department of Public Works will collect leaves from November 3, 2014 through January 10, 2015. DPW uses vacuum trucks to collect the bulk of the leaves, which are then composted. We urge residents to follow the schedule detailed in this brochure when planning to rake loose leaves into piles in the treebox space for collection.

DPW will collect bagged leaves from the treebox space. In neighborhoods with alley trash/recycling collections, bagged leaves also may be placed where trash and recycling are collected. These leaves will be disposed with the trash as space allows in the truck.

Leaf Collection Facts

Every street will have at least two collections. During the first pass, crews will vacuum loose leaves from the treebox space, collect bagged leaves, and clear potentially hazardous situations. The second pass features a more thorough cleaning.

Collections will be made on Veterans Day (Tuesday, November 11th) and Thanksgiving Day (Thursday, November 27th).

No collections will be made Christmas Day (Thursday, December 25th or on New Year's Day (Thursday, January 1st).

Area A

West side of Nebraska Avenue, Loughboro Road and Chain Bridge Road, NW

Rake Leaves

Out By Sunday:	For Collection From:
November 2	November 3 to 15
November 30	December 1 to 13
December 28	December 29 to January 3

Area B

East side of Nebraska Avenue, Loughboro Road and Chain Bridge Road, NW

Rake Leaves

Out By Sunday:	For Collection From:
November 16	November 17 to November 29
December 14	December 15 to December 27
January 4	January 5 to 10

2015 Holiday tree pick-up

Place holiday trees and wreaths next to your trash container at your regular collection point. Trees collected between December 28 - January 10 will be recycled. After January 10 trees will be collected with your trash as space allows in the trash trucks.

Prevent water pollution

Keep catch basins clear of loose leaves, debris and trash. Clogged catch basins (storm drains) can cause increased street flooding during heavy rain. **Please do not**

sweep leaves or sidewalk litter into gutters or catch basins. Organic material, cigarette butts, and trash washed into catch basins contribute to water pollution. To report a clogged catch basin, please call DC Water at 202.612.3400.

Properly dispose of motor oil and other hazardous materials. Do not dump these items into the catch basins to prevent polluting our waterways and harming wildlife. **Bring these or other household hazardous waste items and your unwanted electronics to the Fort Totten Trash Transfer Station** (address above) every Saturday, except holidays, from 8 am to 3 pm.

Hardy Recreation Center and Park

Ann Haas

Neighborhood Survey to be Reported at the November Meeting; Bring your Ideas!

What do you like best about Hardy Park? What programs would you enjoy there? What facilities do you recommend? These are the questions that neighbors answered in a summer survey designed to maximize the effectiveness of the recreation center and its grounds.

“Since we moved to the neighborhood in the late ‘50’s, Hardy School and its park and recreation facilities have been of prime importance to our family and extended family—a good influence and focusm” said one of the 101 survey participants.

Conducted by the Friends of Hardy and distributed as an insert in the June issue of The Foxhall News, the questionnaire was also accessible on-line through “Survey Monkey,” from June 5 through July 28, 2015. Survey questions evolved from interviews that the Friends group had conducted with young families, students, adults, and senior citizens.

Emphasizing the importance of the center and its grounds for organized sports and as a gathering place for neighbors, participants recommended repairing the basketball and tennis courts, adding shade trees, removing dead trees, replacing fences, expanding access, and adding a walking path around the perimeter of the property—along with benches, fitness equipment, and permanent outdoor chessboards. Also mentioned were the needs for a dog-friendly area and a new water park. Summer movies, potluck events, and special lectures were among the program ideas. Suggestions also included a covered area for birthday parties and a martial arts and karate instructor for children.

Visiting the site on August 11, Ward Three Council Member Mary Cheh asked the Friends of Hardy to let her know specific requests to make in the 2016 budget, adding that she is the chair of the Committee on Transportation and the Environment, whose responsibilities include public parks and recreation. Council Member Cheh said that budget would be taking form during the holidays and the early spring.

The Friends group is preparing a “wish list” based on the survey results and will seek further recommendations following a presentation at the upcoming meeting of the Foxhall Community Citizens’ Association. The full “Survey Monkey” document will be posted on the association’s Web site: <http://www.foxhallcommunity.org/>

Here’s a sampling of what neighbors had to say:

“Make plans to replace damaged playground equipment, rather than simply taking things out of commission and leaving footings in place.”

“Encourage people to bike to the park and walk there.”

“A Babies and Toddlers group at Hardy. . . would be attractive and valuable to potential home-buying families . . .”

“We stopped using the tennis courts because they have been so poorly maintained. I twisted my ankle in the large divot . . .”

“An exercise class on Saturday mornings.”

“Ban the use of Round-Up near the children’s play area and gardens . . .”

“Add a sign identifying the Hardy Recreation Center as belonging to the District of Columbia’s Department of Parks and Recreation and mentioning the center’s days and hours of operation and a telephone number.”

“Kiosk where the schedule of activities is posted and where people may add community notices—e.g., instructions for joining the citizens’ association or signing up for the ListServe”

“The trees are the best part of the tot lot. They provide shade, which is so important, especially during Washington summers.” when temperatures routinely exceed 90 degrees. “

Studies have illustrated the value of parkland in promoting the physical and psychological well-being of city-dwellers. The January 2015 Master Plan for Parks and Recreation, the first by the District of Columbia, focuses on investing in capital improvements, increasing budgets, and partnering to achieve recreation goals to “generate economic, social and environmental benefits for the entire DC community.” Goals include “delivering equitable access, responding to needs and priorities, fostering community health and sustainability, and fulfilling the DPR mission to Move, Grow, and Be Green.”

Households participating in the survey are comprised of 64 school-aged children in the 5 to 18 age-group; 58 people in the 36-50 group; 38 children in the under 4 years group; 31 people in the 51-69 group; 27 in the 19-35 group; and 16 who are 70 years of age and older.

We hope to see you on the 18th!

Airplane Noise Update

Andrea Ramirez

The first meeting of the MWAA Community Roundtable was held with representatives from around the region including myself representing DC Ward 3 last month. While it was only the organizational meeting approving members and charter, I have requested and tentatively been granted time to present our concerns at the next meeting this month, and adjusting the North bound departure has been given top priority. This priority is encouraging, but unlikely to happen quickly even if the Roundtable votes in agreement (which is not guaranteed given representation from VA), the FAA estimated 6-12 months to implement. The overland landings issue was given lower priority therefore I am requesting a subcommittee forum with FAA to hear their update on moving planes over the river even in poor weather. These problems are FAR from fixed and it is extremely important that all Foxhall residents continue to log complaints through the end of the year. In a similar situation, communities in California logged over 50,000 complaints... please have as many individuals log as many complaints as possible- about anything... the form is somewhat cumbersome, and you can always email or call the Noise Information Office directly (mike.jeck@mwa.com (703)417-1204) as well. They need to hear the message that #1 things have gotten worse and #2 it is interfering with your daily life.

Go to: <http://webtrak5.bksv.com/mwa2> -> Click “Investigate” in the top left corner -> Click “How” beneath it -> Scroll down to see “Make a General Complaint” -> Click “Show Complaint From”

Regarding pending litigation, Foxhall joined the Palisades, Hillandale, Georgetown, Colony Hill, Foggy Bottom, and Burleith communities as well as Georgetown University in filing a petition in DC Superior Court seeking to block the new routing under a tight statute of limitations deadline in August 2015. Unfortunately at that time the elected DC Attorney General Karl Racine declined to take up the case on behalf of the communities as other cities have done, believing the FAA followed all requirements in a 2013 Environmental Assessment. Our councilmember, Mary Cheh’s office again requested the AG take this case last week, but again they declined, despite much research showing multiple ways the FAA did not comply with the law. I have requested an in person meeting with the AG to further make our case. Otherwise the communities are raising further funds to support the cause and tax deductible donations are being collected at

the following address- please indicate you are pledging support on behalf of Foxhall village and notify me via email so I may account for Foxhall. Checks should be made payable to "Aircraft Noise Fund" and mailed to:

Aircraft Noise Fund
P.O. Box 40603
Washington, D.C. 20016

If you are interested in receiving updates or getting involved with this issue please join the neighborhood listserv dedicated to the topic of aircraft noise from National Airport (DCA). To subscribe, send a message to: dca-noise-subscribe@yahoogroups.com

Update on Lab School Construction

Wendy Jennis

The brick work is mostly complete, the windows are in, and most of the scaffolding has been removed from the outside of the new High School at The Lab School. Only two elements are missing from the exterior: the curtainwall of glass that will enclose main stairway in the front of the building overlooking our parking lot, and the tall, vertical fin shades that will go between the windows on the Whitehaven side of the building and just around the corner on the Reservoir side. The fins are both decorative and practical, in that they will reduce glare.

Inside, the classrooms and hallways are taking shape. Working mostly from the top level down, crews have been installing dry wall and completing first coats of paint. Now they have begun to install dropped ceilings and light fixtures -- enclosing wires, conduits and ductwork. Not all ceilings will be "finished"; in several spaces, including the two-story forum, the ceilings will remain concrete, and will simply be painted.

Work has begun on the foundation of the bridge connecting Lab's parking lot to the building at its main entrance. The bridge traverses the wetlands and a storm retention area. The green roof/terrace off the third floor is almost complete. The pavers that cover its floor will be installed soon, and the planting areas are filled with dirt and just waiting for spring.

We are told by Clark Construction that, assuming no surprises, our new High School may well be finished ahead of schedule, and we may be able to move some students and faculty in before this school year is over!

For regular updates on The Lab School's construction, visit its Campus Building Project webpage at www.labschool.org/campusbuilding.

For questions about The Lab School or the construction project, please contact Wendy Jennis, Director of Community Relations, at wendy.jennis@labschool.org.

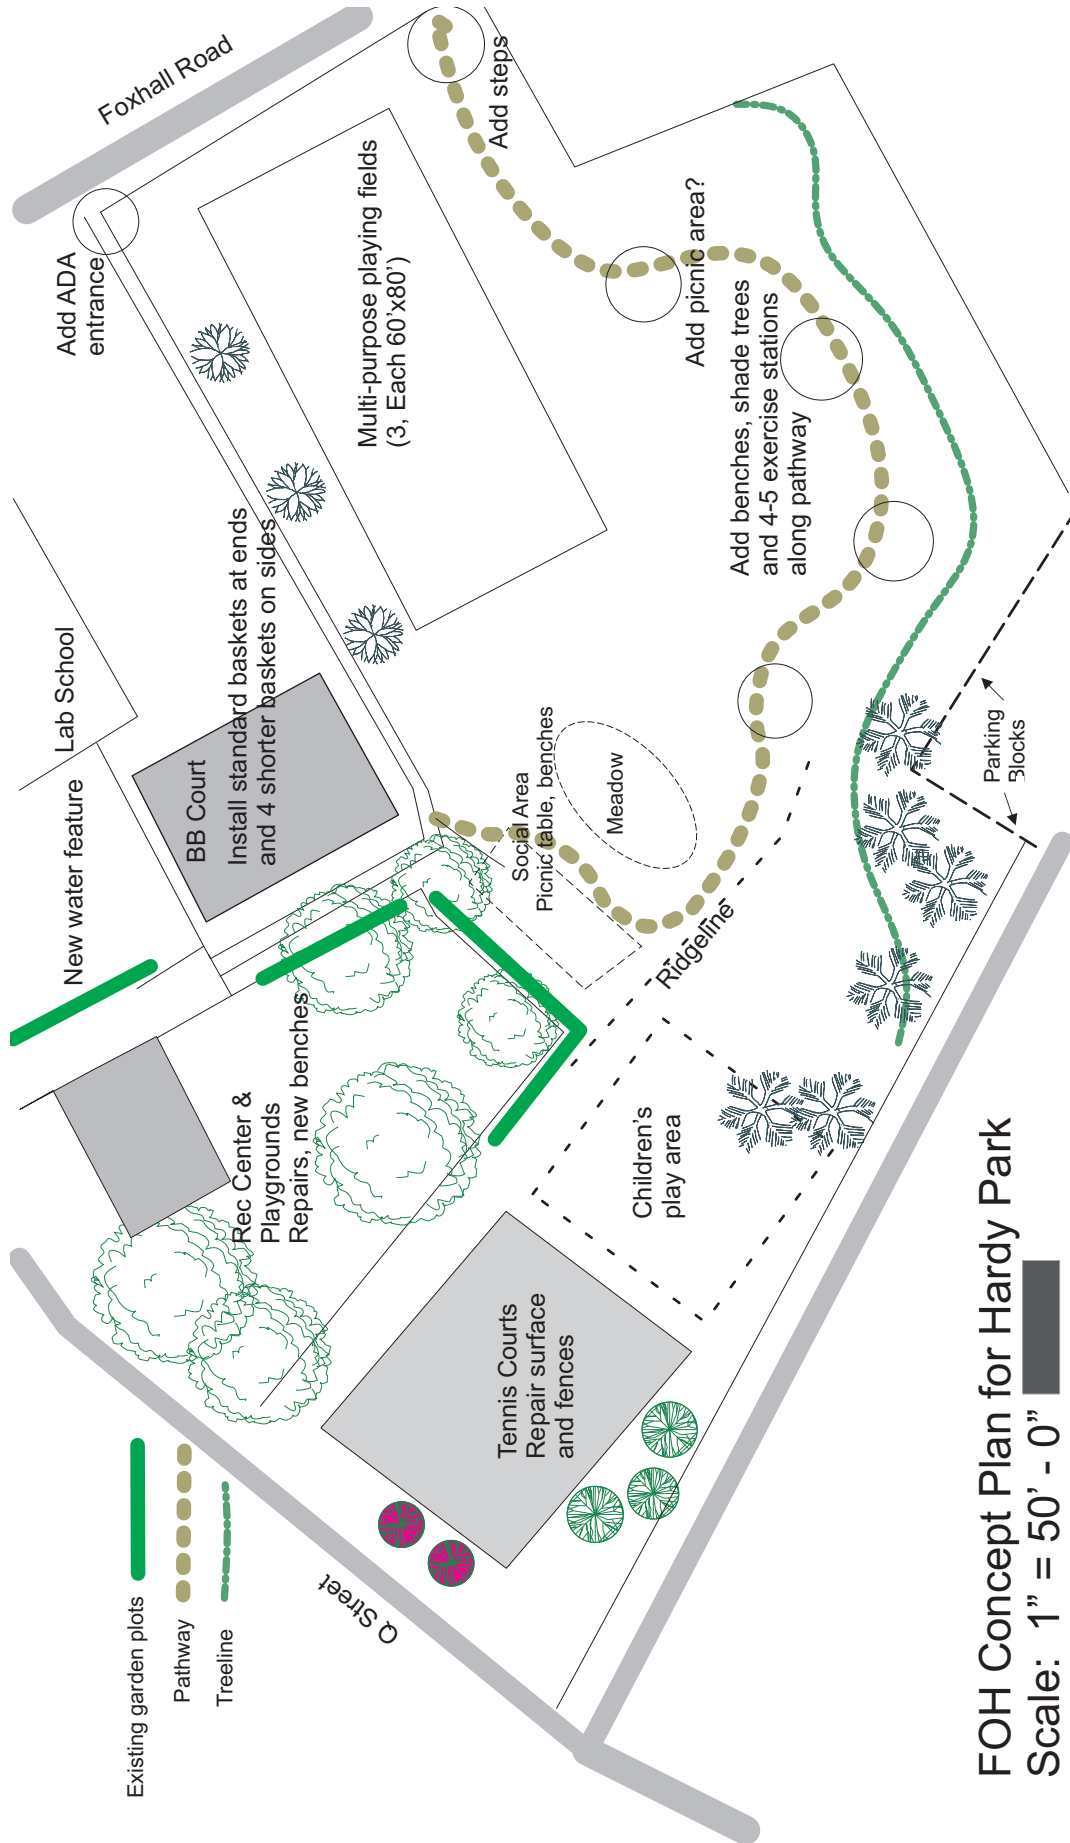

Capital Bikeshare for Foxhall Village

Part of a great neighborhood is having access to multiple transportation options. Currently, our area is not directly served by Capital Bikeshare - the closest station is at Georgetown University at 37th and O Street, a 20 minute walk away. A Capital Bikeshare station in Foxhall Village would substantially enhance our commuting options and make it easier to get to/from Dupont or Rosalynn Metro stations, and serve as a great alternative to the D6 Bus for short rides or running errands. There is funding for a number of new stations; however Foxhall Village has not yet been identified as a priority area. The Palisades is also advocating on getting a station.

Please take the opportunity to let DDOT know that Foxhall Village should be on their map for a Bikeshare station: <http://dcforms.dc.gov/webform/capital-bike-share-form>
